## Tourist Hotels

Hotels, tourist resorts, floating hotels, heritage hotels, golden boutique hotels, Feriendovereen accommodations, safari camps, camps, hotel apartments, accommodation units.

## Mediation in Tourist facilities

Amarco Investment Company has years of experience in efficiently mediating various types of tourist establishments (floating hotels, sailing yachts, fixed hotels, tourist villas, and apartments).

## **Real estate Marketing services**

Specialized in tourism services, marketing, real estate investment, and the management of the best hotel apartments, chalets, and villas in all tourist locations.

## Hotel marketing & Management

Hotel marketing involves programs that help hotels manage and enhance their marketing efforts. This includes tools for guest data management and analysis, creating and distributing marketing campaigns, managing social media and online reviews. Hotel marketing programs also encompass tools for managing reservation systems, online booking, analyzing and improving the hotel's web performance. Some hotel marketing programs may offer features like email marketing tools and customer relationship management capabilities. The goal is to simplify and improve marketing efforts, ultimately achieving more bookings and revenue.

## **Tourist Transportation services**

The company provides competitive tourist transport services with modern air-conditioned buses and integrated services in tourist transportation.

## Hotel Consultations

Assisting in identifying suitable markets and real estate for investment based on current and future tourism trends. Providing precise advice on the optimal use of lands or buildings.

### **Establishing Infrastructure for all IT SERVICES**

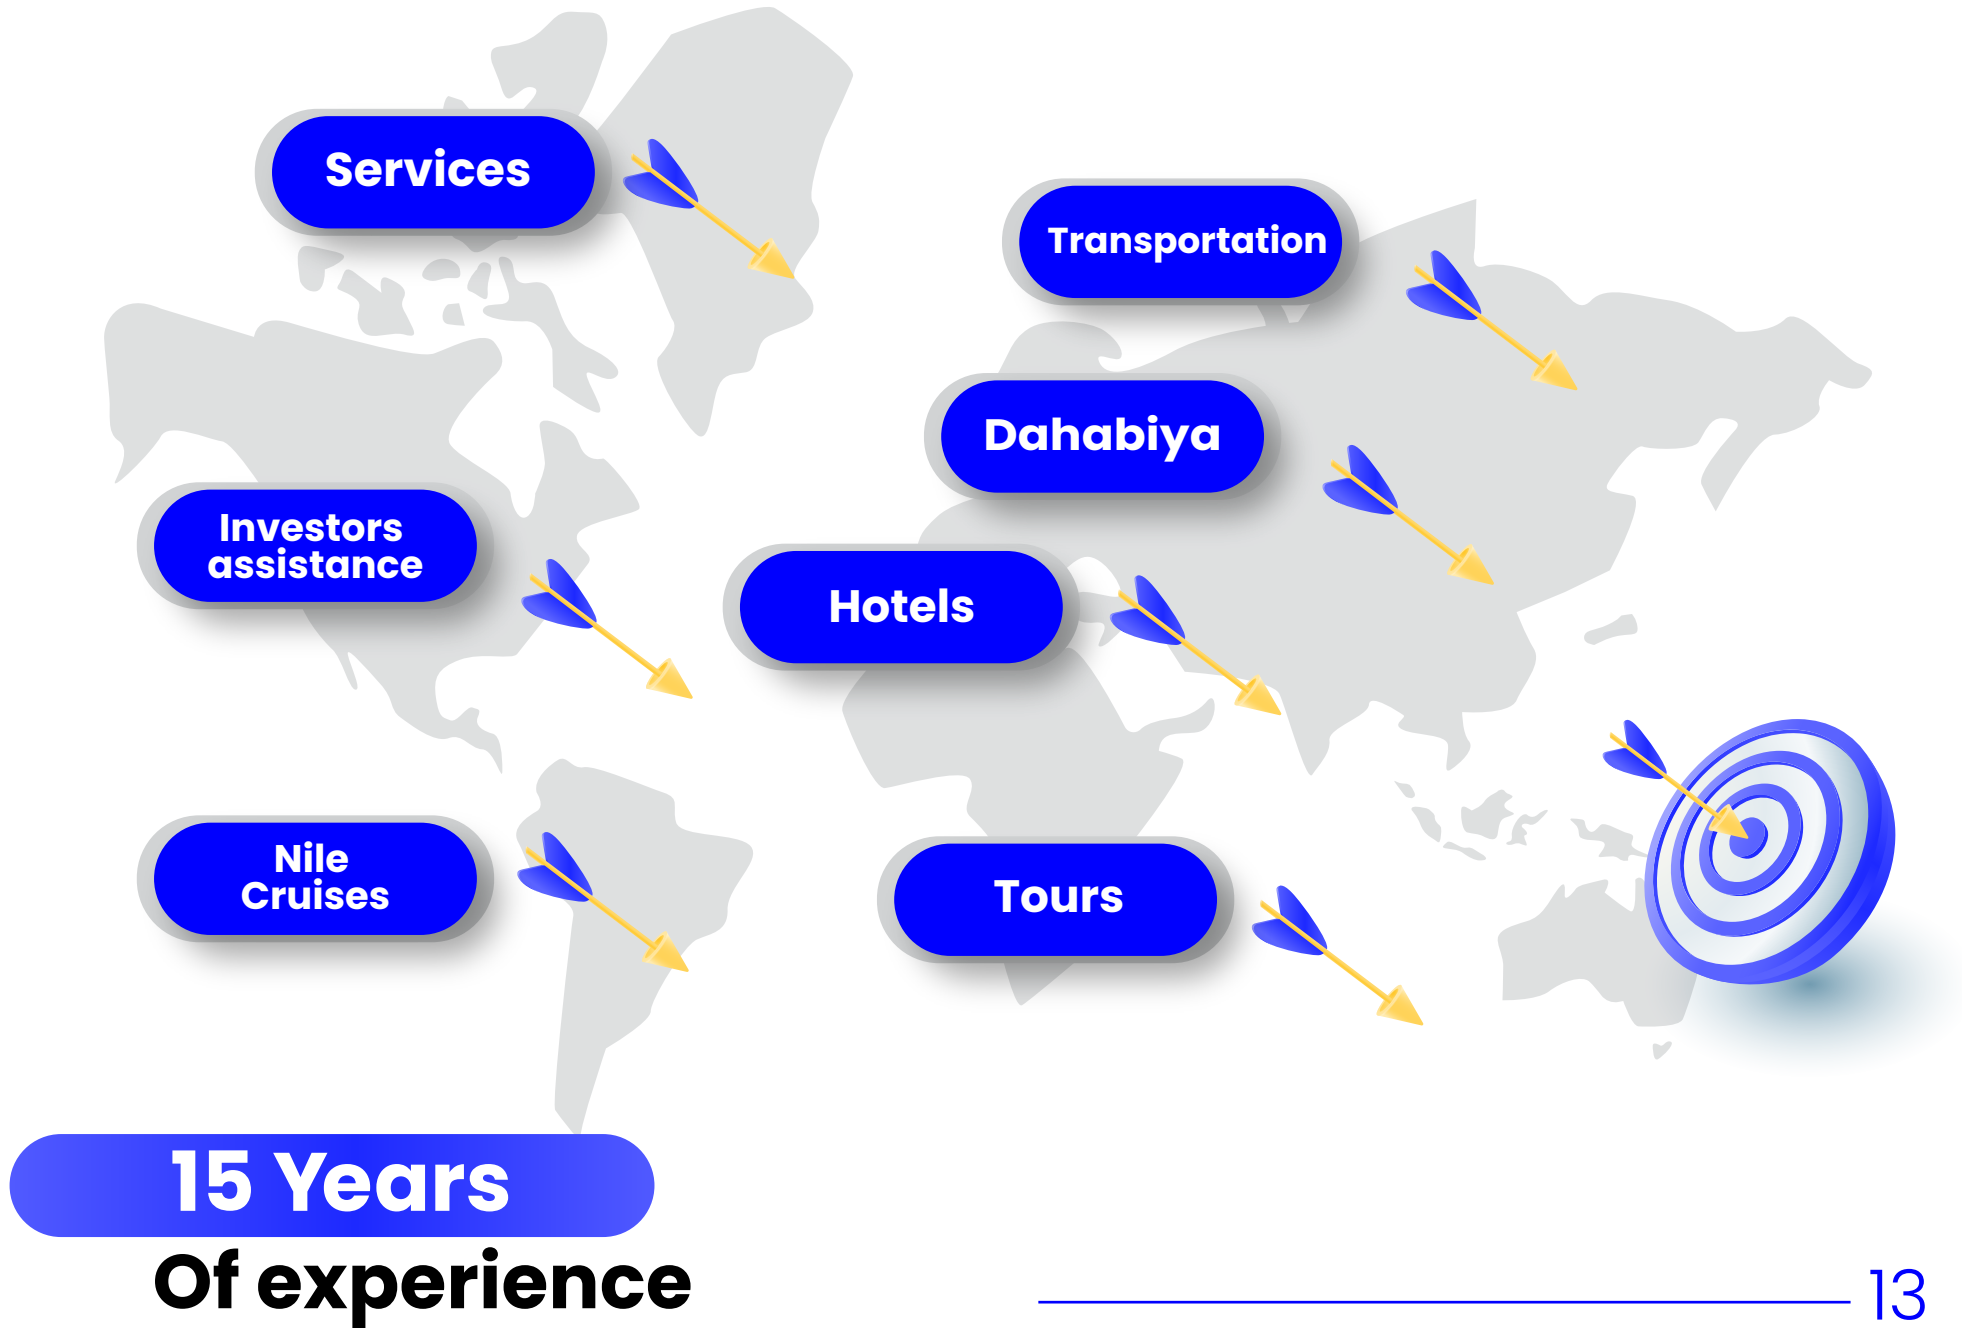

Offering secure and high-performance IT systems with low response times for enterprises. Improving the current IT infrastructure through a combination of traditional infrastructure methods and cloud service support, including electronic keys, security cameras, safety, health, and internal hotel radio.

**Design, construction  
& management of  
sailing Yachts**

The company has extensive experience in designing sailing yachts, overseeing their execution, and managing their operations.
